

## SAMPLE BALLOT QUESTION

Shall the Borough of Princeton and Township of Princeton be consolidated into a single municipality to be known as Princeton, and governed under the Borough form of government, with a separately elected Mayor and six (6) member Council to be elected at large with partisan elections and staggered terms of office?

For consolidation     Against Consolidation

## INTERPRETIVE STATEMENT

A vote FOR CONSOLIDATION will join the Borough of Princeton and the Township of Princeton to create one new municipality. The consolidated Princeton will be governed by a Mayor and six (6) Council members. All financial, physical and other assets and liabilities of both current municipalities will be assumed by the newly consolidated municipality. The newly consolidated municipality will be responsible for providing all municipal services to the residents of Princeton. A vote AGAINST CONSOLIDATION will retain the current separate municipalities of Princeton Borough and Princeton Township.
